

## Keeping Schools Safe: Comprehensive Safety and Awareness Solutions

At J Walton Consulting and Education Services we are dedicated to enhancing safety and promoting awareness through a range of specialized services tailored for schools, businesses, and community organizations.

### What We Offer:

#### **Drug and Alcohol Training & Education**

- Tailored courses for adults, young adults, and children on drug and alcohol awareness and prevention.
- Topics include addiction awareness, dangers of workplace substance use, underage alcohol consumption, vaping, marijuana, methamphetamine, opioids, and more.

#### **Site Safety Threat Assessments**

- Assessments and recommendations for physical safety improvements at your location.
- Suggestions include enhanced security measures such as door locks, surveillance cameras, window shading, and signage.
- Policy and procedure recommendations to bolster overall safety and security.

#### **Violence Indicators & Prevention Training**

- Training to identify pre-attack indicators and behavioral signs of potential violence.
- Strategies for implementing behavioral threat assessments and enhancing employee and customer safety.

#### **Social Media Use Awareness**

- Courses highlighting risks associated with social media and smartphone use.
- Focus on moderation, online safety, and awareness of online scams and bullying.
- Suitable for adults and youth to promote safe and responsible digital citizenship.

#### **Bullying Prevention & Gang Awareness**

- Presentations aimed at educators, adults, and youth to prevent bullying and understand its links to gang involvement.
- Basic gang awareness to recognize signs and legal implications of gang-related activities.

#### **Active Shooter Preparation & Response Training**

- Comprehensive training on responding to active shooter incidents.
- Empowers participants with knowledge on protective actions in violent encounters.
- Complements violence prevention strategies for workplaces and schools.
